Thank You!

On behalf of everyone at Pickett's Corner, a ministry of Catholic Charities, we want to extend our heartfelt gratitude to all who donated bicycles or supported our efforts this year.

For the second consecutive year, on the 2nd and 4th Wednesdays of each month from March through November, we've been able to provide refurbished bicycles to community members in need of transportation. Our motto, "Donate a bike and change a life," resonates deeply with the recipients, many of whom rely on bicycles to get to work, attend medical appointments, and improve their daily lives. One individual even wore out his first bike delivering goods, prompting us to provide him with a replacement!

Thanks to your incredible generosity, we distributed over 450 bikes this year, building on last year's total of 250! The joy expressed by our recipients speaks volumes about the impact of your donations.

While we will take a break over the winter months, we are already preparing for next year and continuing to collect bicycles. To learn more about our mission at Pickett's Corner, please visit www.covingtoncharities.org.

Thank you once again for your support and for helping us change lives in our community!

Warm regards,

The Pickett's Corner Team
